SNOQUALMIE VALLEY TRAIL MAP

A Beautiful Valley

The majestic Snoqualmie River Valley, situated between Seattle and the foothills of the Cascade Mountains, is steeped in heritage, rugged and pastoral beauty, arts, and culture. Farmers take advantage of the fertile soils in the lower valley, supplying fresh produce to restaurants and farmer's markets. Premiere outdoor activities abound, including hiking, mountain biking, and rock climbing.

The Valley's small towns—Duvall, Carnation, Fall City, Snoqualmie, and North Bend—are known for their welcoming, historic downtowns filled with unique stores and restaurants, and surrounded by scenic forests and farms to explore nearby.

The Snoqualmie Valley Trail is a regional trail that runs through the heart of the Valley, connecting these communities and providing an easy way to get out of your car and explore the Valley on foot or bike. So, slow down, breathe deep, and enjoy all that the Snoqualmie Valley has to offer!
